DECLARATION OF VAHIT H. HACIGUMUS UNDER 37 C.F.R. § 1.132

I, Vahit H. Hacigumus, declare as follows:

1.   I am a named inventor on the patent application identified above, and am authorized by the Assignee to make this declaration.

2.   Balakrishna R. Iyer and Sharad Mehrotra are co-inventors with me of the claims in the above-identified patent application.

3.   The subject matter disclosed in the publication by Vahit H. Hacigumus, Balakrishna R. Iyer, Chen Li and Sharad Mehrotra, entitled "Executing SQL over Encrypted Data in the Database-Service-Provider Model," ACM SIGMOD, June 4-6 2002, Madison, Wisconsin, which was cited by the Patent Office during the examination of the above-identified patent application, comprises a description of our invention that was published less than one year prior to the priority date of the above-identified patent application. Although Chen Li is named as an author on this publication, he is not an inventor of the claims in the above-identified patent application.

4.   I further declare that all statements made herein of my own knowledge are true and all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both under Section 1001 of Title 18 of the United States Code, and that such willful false statements may jeopardize the validity of the application or any patent issuing thereon.
